

Advanced Periodontology

for DCPs and dentists

practicalperio.org

This four day course covers Periodontology in more detail and allows participants to delve deeper into the aetiology, progression and treatment of a range of periodontal diseases.

The course runs for one day per month for four straight months and covers material relevant for Direct Access Regulations.

Numbers are limited to keep groups small to ensure great quality learning and interactivity. Teaching is in a open and honest environment where debate and interaction are encouraged.

Dates for our next 4 DAY COURSE now released

9th May 2014: **Module One** - Overview in Periodontics

6th June 2014: **Module Two** - Diagnosis and Foundations of Care

4th July 2014: **Module Three** - Instrumentation and Debridement

12th September 2014: **Module Four** - Surgical Management and Implant Management

Venue: Redworth Hall Hotel, Redworth, County Durham, DL5 6NL.

Cost: £800 for all four days or £250 per day.(discounts may apply - [see website for details](#))
